AVIDITY

Look deep into nature, and then you will understand everything better.

NEWSLETTER

COMPANY

Avidity LLC was founded in 1996 and is located in colorful Colorado. Avidity's patented AviTag sequence enables researchers around the world to connect molecules via one of nature's strongest molecular interactions.

OUR PHILOSOPHY

Avidity is constantly developing new products, providing new tools for the scientific community. We always put the scientific progress first and are open to collaborations with academic and for-profit institutes.
