

FUNDING OPPORTUNITIES

TEJAS (TEXAS EXCELLENCE IN JOBS AND SERVICES) AWARD

The Texas Excellence in Jobs and Service (TEJAS) award is designed to support CNS undergraduates in research placements throughout the College. We will be opening applications soon for students who are interested in this opportunity for **Fall 2022**. Please click [HERE](#) for more information on the application process and how to apply.

CNS ADVANCED SUMMER RESEARCH FELLOWSHIP

Fellowships are available for UT College of Natural Sciences students participating in an advanced summer research project on campus or remotely under the supervision of a UT faculty member or research supervisor. Applicants must have already completed at least one prior undergraduate research experience. (Either full-time research experience in summer or a part-time two semester research experience in the academic year, or equivalent.)

The summer placement and research supervisor must be confirmed at time of application. If you would like to find out more about strategies for finding a research placement, make a consultation appointment with [one of our student ambassadors](#) or with Lynda Gonzales, Director for Student Engagement and Outreach, at <https://calendly.com/lyndag-1/30-min-experiential-learning-consultation>.

Support is for a full-time research placement, requiring 35-40 hours per week for at least 8 weeks, at \$4,000.

Deadline for applications - Wednesday, Feb. 22, 2023, 11:59pm
